### 2008 Vocational Service Update

Tim Brown introduced Megan Klink of Working Wardrobes. Megan told us about Success Day, April 19, 2008

where volunteers will become personal shoppers for program participants from 8 to 2. We will be kicking off our 2007 Vocational Service Project on Tuesday March 4th with our Clothing Drive. The workshops will begin on Saturday March 22nd. This year to avoid conflicting with the resident's work schedules, the workshops will begin at 4:00 pm and end at 5:30 pm. We would like to have at least three coaches to participate in each workshop. The topics of each workshop are listed below. Please be thinking about which workshop one you might be interested in participating.

The Success Day at Working Wardrobes will be held on April 19th. We will need volunteers to act as "personal shoppers" for our clients as they choose their "working" wardrobes. The personal shoppers will help fit the men and help match their accessories.

Graduation will follow the last workshop on May 3rd. All club members will be invited and urged to attend as this is the culmination of our efforts with this group of men. When the graduates see a large gathering from our club at the event they receive a strong message that we care about their future and what happens to them after our workshops.

All of you will be receiving weekly updates as we move through the project.

Workshops:

March 22: Skills Identification

March 29: Elevator Speeches

April 5: Master Applications

April 12: Interviewing Skills

April 19: Success Day

April 26: Financial and Budgeting

May 2: Acknowledgement/ Graduation

### Fines or Recognitions

Fine Master, John Goodlad announced that there were pictures from the Club Valentine Party on the back table which were taken by Nancy Goodlad. Cal Wallace will be celebrating his birthday on March 17<sup>th</sup> and he always wears green. He paid \$79. Leo Daboub will be celebrating his 43<sup>rd</sup> birthday with a quiet dinner. Willis

Longyear paid \$5 for his speech on behalf of Mrs. Woolsey. Price Shapiro and Mike Bradford each paid \$10 because they are sitting at the "kids table". Craig Kennedy's son is home permanently and his wife's immigration approved and Craig's daughter is engaged. John Clark paid \$5 so he could tell a joke.

The husband-and-wife duo went on to become one of the most successful acts of all time, with hits like "I Hope We Get to Love in Time" and "You Don't Have to Be a Star (to Be in My Show)."

### Annual Fund Raiser Sponsorships

The Club's Annual fund Raiser will be held August 23<sup>rd</sup> at the Crean Estate. David Bahnsen announced that to raise additional revenue, opportunities to become a Sponsor will be available. Four different packages have been established with different price ranges. More details to come.

### Overcoming Adversities

Gordon Bagne introduced Matt Jones as a walking miracle. On Valentines Day 2004 Matt slipped into an unconscious state after cancer spread to his brain. His doctors were convinced he would not survive. Miraculously he recovered and 2 years and 4 months later he ran the San Diego Rock & Roll Marathon (26.2 miles) and finished. He first had to relearn how to talk. Today Matt shares his triumphant story of overcoming cancer and running a marathon. He shares his strategies you can use personally and professionally to achieve greater success and overcome the challenges you face. Matt believes in the Rotary 4 Way Test. Every day you are given 86,400 second so make the most of every single second. You have the choice of attitude in any situation. Take action are the two words that he

believes are the key to success. His latest book "Life's a Marathon" is only 68 pages but gives you inspiration. Matt had the entire Club on its feet and everyone left with a smile on their face.
