2010 Vocational Service Update

Your Vocational Service Committee:
Patricia Bintliff, Tim Brown, Phil Reynolds

The Success Workshops continued on Saturday April 10, 2010. This workshop focused on the written job application. For our clients the written job application creates a number of challenges. Among these are appropriate references, lengthy gaps in employment and the question asking on whether or not there has been a felony conviction. A special thanks to Laura Dietz, Tom Birch, and John Hedlund for their outstanding contributions to our second workshop as coaches.
