2009 Vocational Service Update

Your Vocational Service Committee:
 Patricia Bintliff, Tim Brown, Laura Dietz and Chuck Iverson

The Success Workshops continued on April 18, 2009 after our Easter break. This workshop focused on the self presentation skills otherwise known as the "Elevator Speech". The term comes from the amount of time it takes an elevator to get from one floor to another. In this workshop we helped each of our clients script a 20-second introduction of themselves that highlights who they are, what job experience they have had, their strengths, and where they see themselves in the workplace five years from now. Our guest coach Caroline Babott and Laura also reviewed their mock job applications completed on April 4 and returned them with their comments.

Next week we will continue to practice the elevator speeches through role play and have a discussion on money management. Our guest Coaches are Donna Cody, and Caroline Babott will join us again.
